BBQ GLOVE IN HIGH QUALITY HEAT RESISTANT LEATHER

Meticulously crafted from high-quality golden yellow and reversed cow leather, these gloves elevate the grilling experience by providing protection, comfort, and style. The reversed cow leather construction offers superior heat resistance, shielding hands from temperatures up to 100°C/212°F and potential BBQ hazards. The durable leather material, which is also LWG-certified, and the heat-resistant Kevlar® threads act as a formidable barrier against sparks, hot coals, and intense flames.
